

Cinema-grade film for businesses that live or die on how they look. Every project is shot on a Blackmagic 6K Pro in 6K BRAV, edited and colour-graded in-house, and filmed evenings or weekends around your team. It always starts with a free 15-minute call.

What I shoot

Property

Estate agents & housebuilders, listing tours, development and drone films that sell off-plan and justify your fee.

Hospitality

Restaurants, pubs & hotels, food, rooms and seasonal films that fill tables and beds before guests read the menu.

Fitness

Gyms & studios, membership promos and class reels that make people want to be in the room.

Corporate & product

Promos, event films and launches that make a young company look established.

Weddings

A cinematic film of the day, ceremony, speeches and first dance, edited into one film you'll actually rewatch.

Music & artists

Music videos and artist content that look like the label paid for them, shot in a day, cut for release.

Simple pricing, no surprises, no hidden costs.

Starter video

from £350

One social clip or drone shot, delivered in under a week. Pay in full to book.

One-off film

from £1,200

A single promo, event or product film. 50% deposit secures your date.

Monthly partnership

from £800 /mo

Your monthly content partner: 2-4 films a month, social cutdowns, priority booking and a monthly recap.

Enterprise partnership

Bespoke

A hero brand film plus ongoing content, aerial and reporting, scoped on a call.

Weddings

from £1,500

Full-day coverage, a cinematic highlight film plus the ceremony and speeches. 50% deposit secures your date.

Music videos

from £1,200

Performance or concept video, one shoot day, edit and colour included.

Daily filming rate from £600 for agencies and bespoke shoots. All prices shown are starting points and vary with length and complexity. Enterprise work is always scoped on a call.

How it works

01 Book & pay

Starter films paid in full, or a 50% deposit on one-off and wedding films to secure your date.

02 Plan & shoot

Filmed evenings or weekends, on a Blackmagic 6K Pro in 6K BRAVIA.

03 Cinema-grade edit

Colour, sound and licensed music, with revisions until it feels right. Overnight delivery available where it matters.

04 Deliver & report

Every format you need, plus a plain-English note on what the film is doing for you.
